**Box Tops and Progresso Soup
WE NEED YOUR HELP**

PROGRESSO soup is sponsoring a contest where schools can compete for a \$10,000 grand prize by promoting PROGRESSO soups and Box Tops for Education.

Please bring a can of PROGRESSO soup to FJS or Central school from October 25th thru October 29th to help us prepare a display for the contest submission. After the contest, the soup cans will be donated to a local food pantry.

A picture of our entry will be posted on the PTA website. We will keep everyone informed as to when the general public can vote on the 10 finalists. Keep your fingers crossed that we make the finalist round and ultimately WIN!

Any questions, please contact Donna Glinko at jdaj@optonline.net

Recycling Update

To date, the students have recycled 1,524 juice pouches (!), 430 snack bags and thousands of bottle caps. I would love to see an increase in the amount of snack bags that are recycled, particularly at Central and Middle Schools. Lots of snacks are consumed there, but the amount of packaging that is actually recycled is small. Please remember that the PTA receives CASH for recycling these juice pouches and snack bags. Consider it a fund raiser for which you don't have to purchase anything extra. Thank you for encouraging your child to help make this program a success by recycling daily.

Kid Stuff Books

We still have some Kid Stuff Books left. Email Michelle if you are interested in purchasing one. michelleathome@optonline.net.

Entertainment Books

All Entertainment Book orders have been filled. If you need to purchase one you can still do so. Contact Diane Salvemini at nicant0529@verizon.net.

Market Day

Orders due by November 11th. Great items for Thanksgiving!!

The PTA needs VOLUNTEERS. There are many activities that could be offered to our kids if we had the help. Fundraising is the major function of the PTA - it is these monies that provide our kids with so many much needed technology, programs and activities. PLEASE COME TO A PTA MEETING and find out how you help. Our next PTA meeting is November 17th at Middle School.
